Copy 3 of 4

27 January 1958

MEMORANDUM FOR: Col. William A. Dodds, USA
Army Member, Utilization Advisory Board

SUBJECT : Sanitization of CHESSE Photographs of the
Middle East (C)

REFERENCE : TS(T)-3420, 21 November 1957, same subject

1. Your request to use rectified CHESSE photography in the production of up-to-date town plans for use by the Commanding General, U.S. Army, Europe, for planning, and possibly operational purposes appears to conform to UAB policy and is therefore approved.

2. It is noted that you also request authority so that, upon initiation of actual operations in the areas involved, the Commanding General, U.S. Army, Europe, may automatically downgrade to "CONFIDENTIAL--Modified Handling Authorized" the material sanitized under your request. Such procedure is approved in the event of emergency or wartime conditions involving U.S. Forces in the area.
